

Hosted Services for your Office brought to you by Superior Solutions Ltd

All our services are hosted in world class data centres where security, data protection and business continuity planning are a top priority. This method of delivery provides large-scale IT capability to smaller scale enterprises ensuring a much greater level of security than traditional on-premise IT servers or small, local data centres but at much lower cost.

All our software services are upgraded to the latest stable versions automatically without user disruption or extra expense. All our services are available on a 24 x 7 x 365 basis.

Hosted services are easy to implement and can be stand-alone or integrated into your current on-premise IT environment. All our hosted services are free of capital expenditure and are paid for on a monthly basis. (Cost includes licence fees) It is easy to order new services and cancel those not required via your own control panel.

	Price List	USD/ (HKD)
<p>Microsoft Exchange is an email server that is very scalable, secure, reliable and functional. Email Archiving Service automatically archives every email sent and received by every mailbox in your domain to multiple off site locations. A copy of every email sent and received is indexed, catalogued and searchable through an easy to use web based interface. Conforms to industry best practice, client due diligence requirements, regulatory pressures, and is SOX compliant. (Prices are per seat per month. Requires minimum 7 Full Access mailboxes. Variable retention times may require additional fees)	Archiving Access (NB Every mailbox must subscribe)	7.95 (64)

Note Above prices are for hosting only. Users can easily implement these services alone but IT technical support assistance can be provided at an agreed cost, either through your existing IT services support company or through Superior Solutions. SSL IT support rates start from first hour/minimum charge HKD600 and each consecutive hour thereafter HKD400 (NBD). Add 50% surcharge to total service charge if same day service is required.
